

Health & Safety essentials Price List

version1.7

Please note that although we currently have good stock levels of all products, due to unprecedented demand these levels can change day by day. Therefore prices and product specification may change as we source additional products.

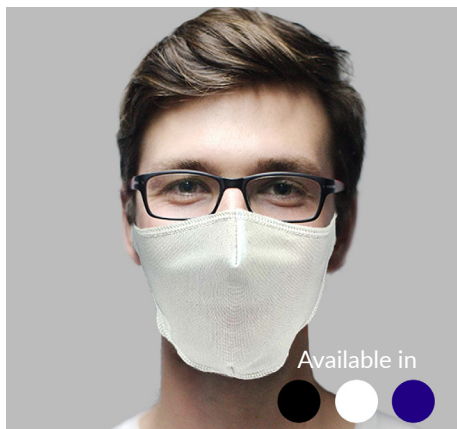

To guarantee availability we advise ordering in bulk. We can help to hold stock and ship when required.

Additional storage changes may apply.

Face Masks

Help protect yourself and those around you with our range of personal-use face masks, available in three colours or with a personalised option. Suitable for prolonged use, in a non-medical setting.

Our range of reusable fabric Face Masks are intended for personal use and come in three standard colours. They can also be customised with your own design or logo. They are not recommended for medical purposes, and have been produced to ensure PPE supplies go to the healthcare and key workers who need them most.

Premium

Stay safe with our most affordable face masks available in three colour options.

- Double layered face masks
- Single elasticated strap around the head
- Machine wash at 60 °C before use
- Additional filters available*

Enhanced

With additional features to improve comfort, our enhanced masks are available in three colours.

- Double layered with cotton inner
- Adjustable elasticated ear straps
- Flexible nose bridge
- Machine wash at 60 °C before use
- Additional filters available*

Personalised

Customise your mask to suit your individual style or brand, with only a 5 day turnaround.

- Add your own design or logo
- Available on Premium and Enhanced masks
- Machine wash at 60 °C before use
- Additional filters available*

Deluxe

Made from 95% Cotton, 5% Elastane, double-layer jersey material with an antimicrobial and water-repellent finish suitable for prolonged use, in a non-medical setting.

- Add your own design or logo
- Machine wash at 60 °C before use

*Activated carbon filters

Our Standard, Enhanced and Personalised face mask have the option of adding in additional filters giving you 5 layers of protection. You will receive 1 filter per mask per order if you chose the filter options. If you require more please contact the customer services team.
