

# Health & Safety essentials Price List

version1.3

## Face Masks - with head straps

Help protect yourself and those around you with our range of personal-use face masks, available in three colours or with a personalised option. Made from 100% polyester and suitable for prolonged use, in a non-medical setting.

Our range of reusable fabric Face Masks are intended for personal use and come in three standard colours. They can also be customised with your own design or logo. They are not recommended for medical purposes, and have been produced to ensure PPE supplies go to the healthcare and key workers who need them most.

### Standard

Stay safe with our most affordable face masks available in three colour options.

- Single layered face masks
- Single elasticated strap around the head
- Machine wash at 60 °C before use

### Premium

For added peace of mind, choose our premium face mask.

- Double layered face masks
- Integrated pocket for disposable carbon filters
- Machine wash at 60 °C before use

Standard - without filters

80	£4.99	£399.20
90	£4.99	£449.10
100	£4.99	£499.00

These gloves are widely becoming the 1st choice for many in this Covid-19 crisis as they are washable and quick-drying as water runs off the hydrophobic coating. Thanks to the patent-pending LXT technology, washing your hands with the gloves regenerates the coating and helps to maintain the water and oil resistance, making your gloves wearable and effective for longer.

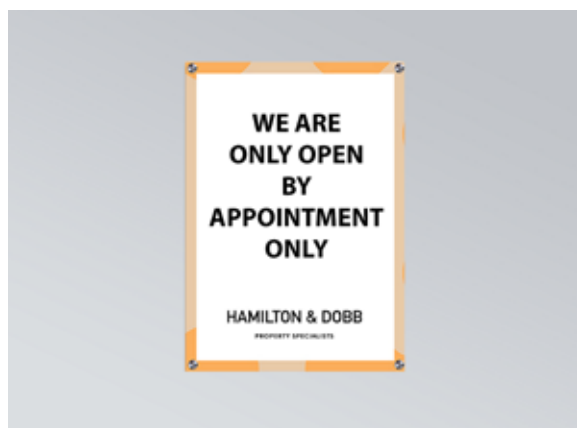

#### Additional charges

Delivery charge	£8.50
